HOW TO ENABLE STREAM
EMBEDDING ON YOUTUBE

First, login to YouTube and go to the home page. Then, select My Channel from the left navigation pane.

Once the My Channel page is loaded, locate the Video Manager button on the top of the page.

It can be found right above the banner photo next to your total View Count.

Please review the YouTube Monetization Agreement below

YouTube Partner Program Terms

Together with the [YouTube Terms of Service](#) and the [YouTube Partner Program Policies](#) (each of which may be updated from time to time and are incorporated herein by reference), the following YouTube Partner Program Terms apply to your participation in the YouTube Partner Program (the "Terms"). Please read the Terms carefully. If you do not understand or accept any part of these Terms, you should not upload Content for monetization on YouTube.

1. **Monetization Revenues.** YouTube will pay you as follows:

1.1. **Advertising Revenues.** YouTube will pay you 55% of net revenues recognized by YouTube from ads displayed or streamed by YouTube or an

- I have read and agree to the terms above.
- I agree that I will not click on the Google ads that I'm serving through Google's products and services in order to fraudulently increase income.
- I will not opt-in any content for monetization for which I do not possess sufficient rights.

Read over the terms and conditions, and when ready, check the boxes at the bottom.

Once checked, press the “I accept” button in the lower right corner of the page.

Monetization

You will be redirected to AdSense to link your existing AdSense account or create a new one if you do not have one yet. Once you have completed this process, you will be redirected back to YouTube.

What is AdSense?

AdSense enables you to earn money by placing targeted text and image ads with your videos.

Google automatically chooses which ads to show based on your video content, and you earn money when visitors view or click on these ads.

- [Can I sign up for AdSense if I'm under 18 years old?](#)
- [Can I sign up for more than one account?](#)
- [How long does it take to have my application reviewed?](#)
- [Google AdSense Program Policies](#)
- [AdSense Help Center](#)

This is the landing page to begin the application for AdSense. AdSense is now required to embed your livestream to any 3rd party website

Select the “Next” button in the bottom left corner of the window. This will redirect you to the AdSense application page.

Welcome to AdSense

Sign in to your Google Account or create a new one to sign up for AdSense. Whichever account you choose will be used to log in to your new AdSense account.

If you're already an AdSense publisher, you must sign in with the Google Account that you use to access your AdSense account. [Learn more.](#)

AdSense Terms and Conditions

To start displaying ads, please review and accept our Terms and Conditions below.

Google AdSense Online Terms of Service

1. Welcome to AdSense!

Thanks for your interest in our search and advertising services (the "Services")!

By using our Services, you agree to these terms (the "AdSense Terms"), the [AdSense Program Policies](#) and the [Google Branding Guidelines](#) (collectively, the "Agreement"). If ever in conflict, to the extent of such conflict, the AdSense Terms will take precedence over any other terms of the Agreement. Please read the Agreement carefully.

As used in the Agreement, "you" or "publisher" means the individual or entity using the Services (and/or any individual, entity or successor entity, agency or network acting on your behalf), "we," "us" or "Google" means Google Inc., and the "parties" means you and Google.

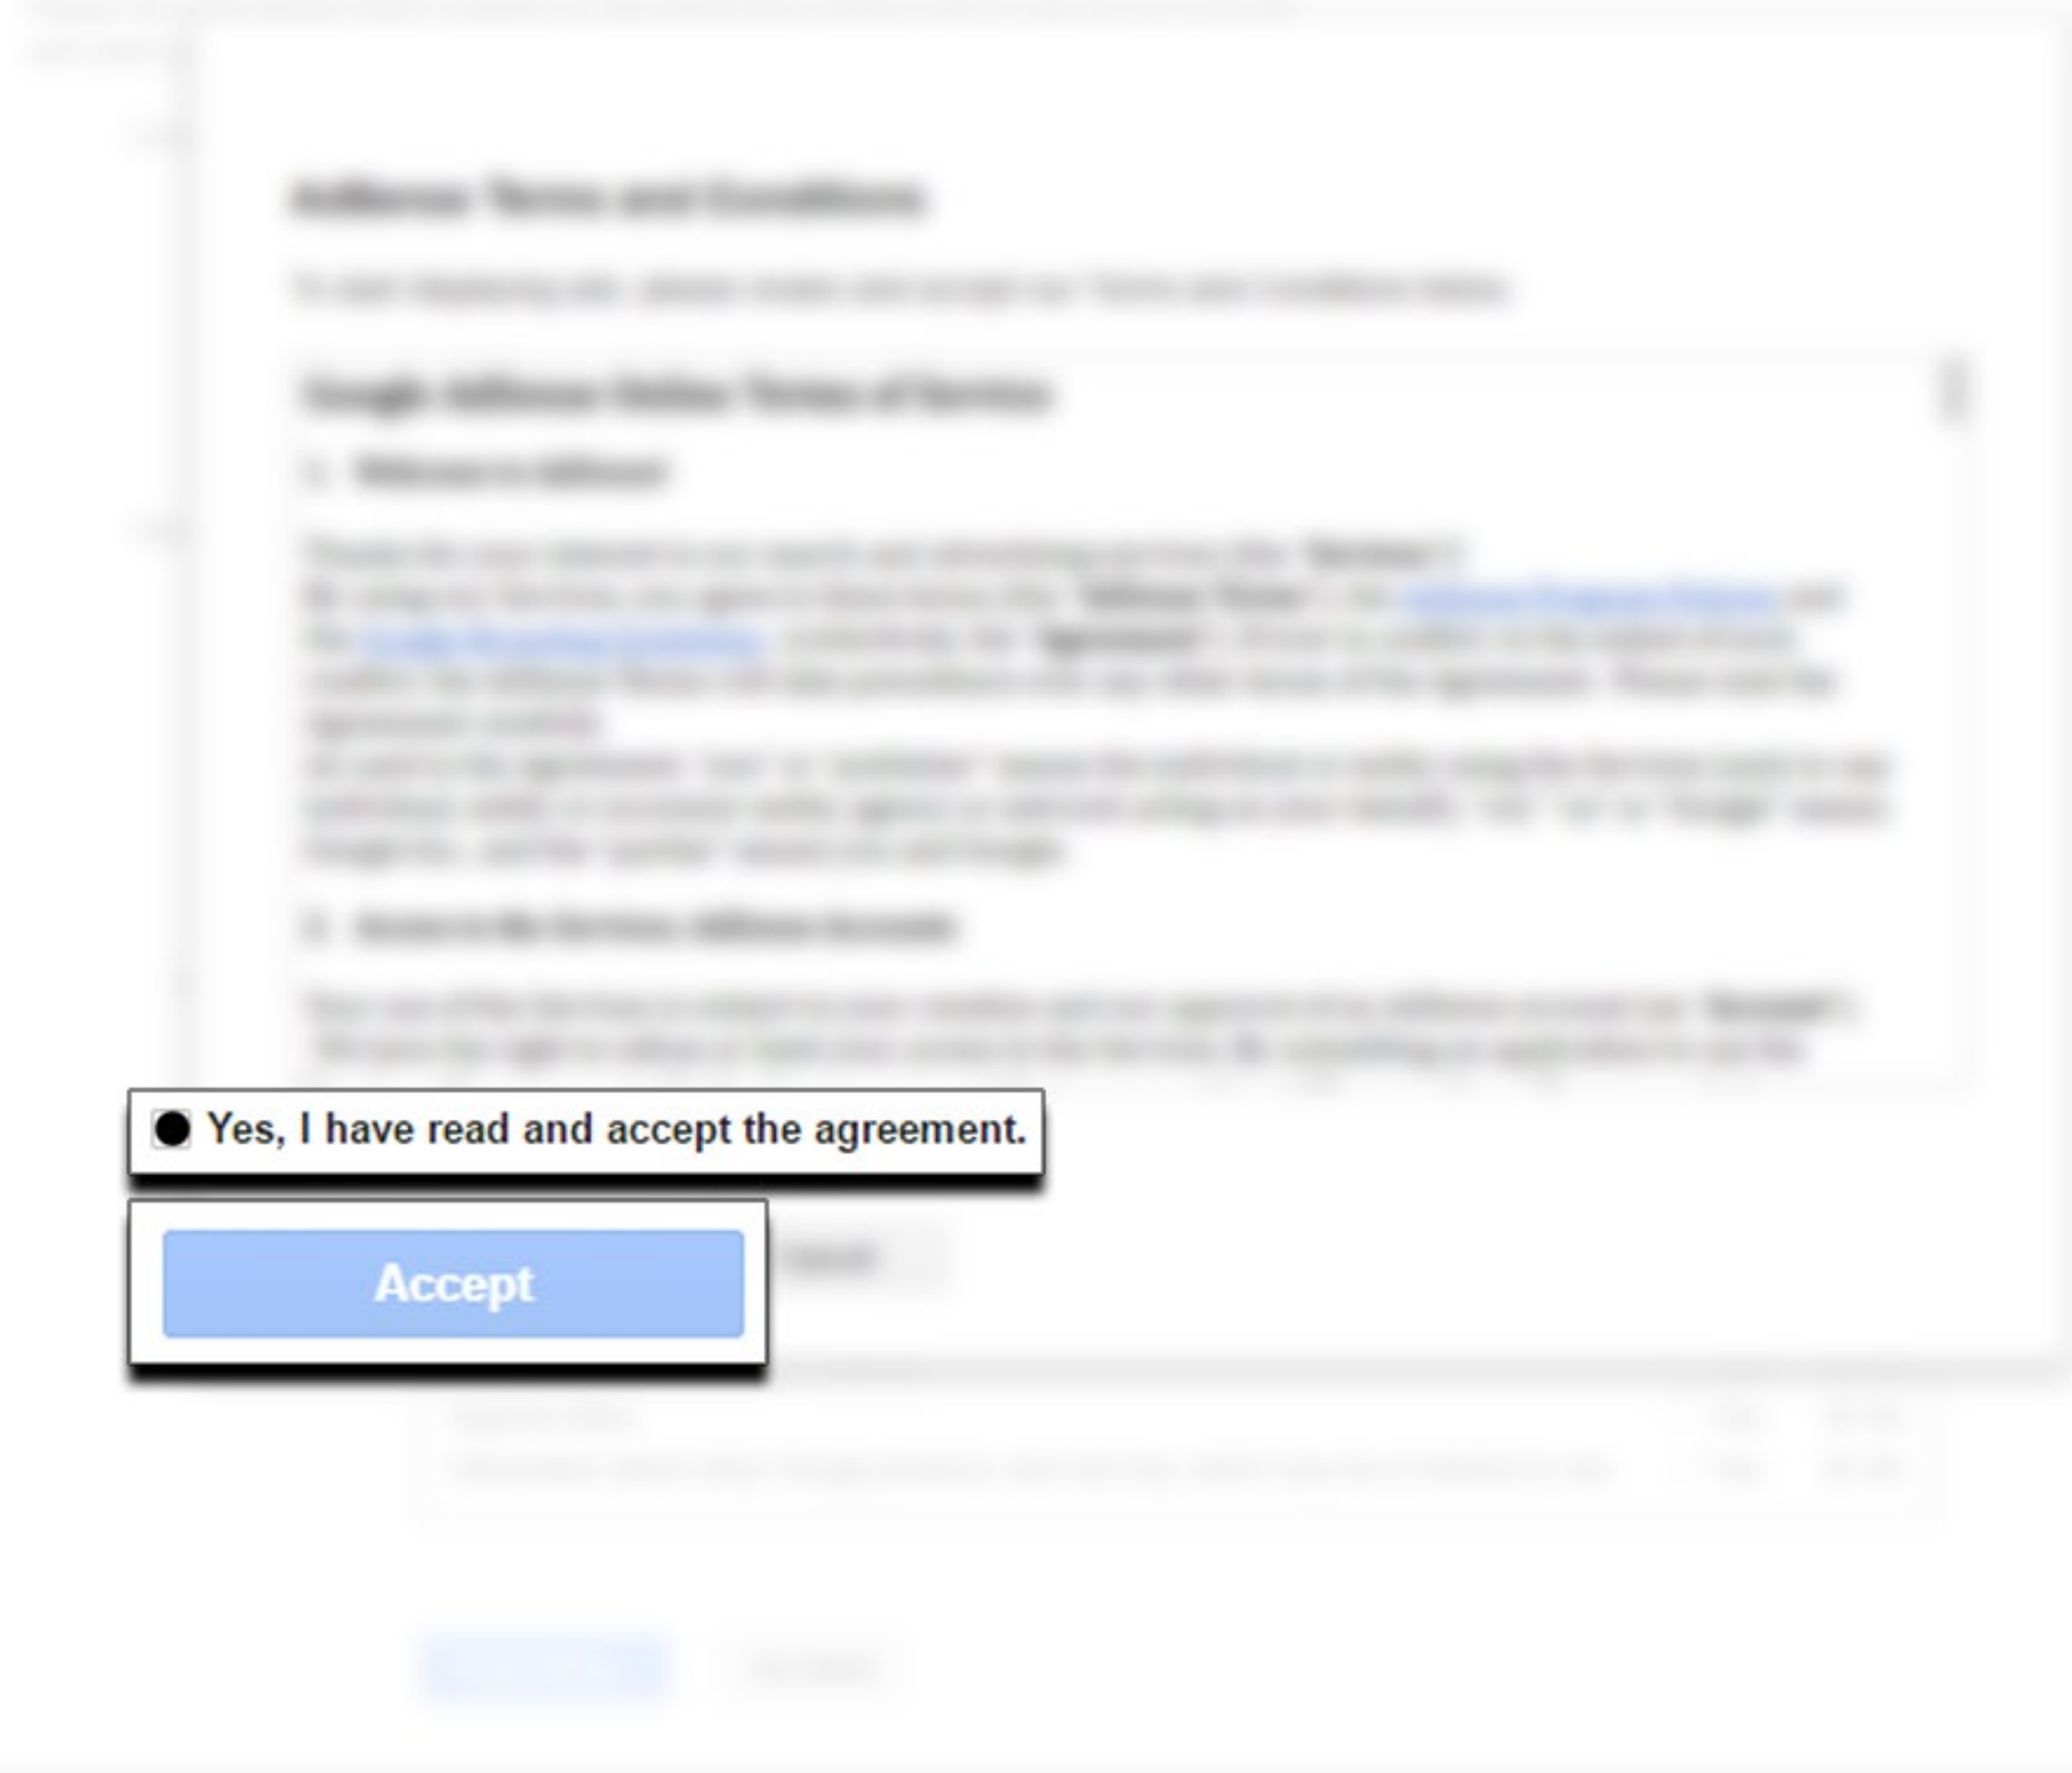

2. Access to the Services; AdSense Accounts

Your use of the Services is subject to your creation and our approval of an AdSense account (an "Account"). We have the right to refuse or limit your access to the Services. By submitting an application to use the

Yes, I have read and accept the agreement.

Read over the AdSense Terms and Conditions.

When ready, check the “Yes, I have read and accept the agreement” box and click “Accept.”

✓ Your AdSense Application has been submitted and is being reviewed. You will receive an email regarding the status of your application within about a week.

Account Status

Your account is enabled. You can enable or disable individual videos for monetization in the [Video Manager](#).

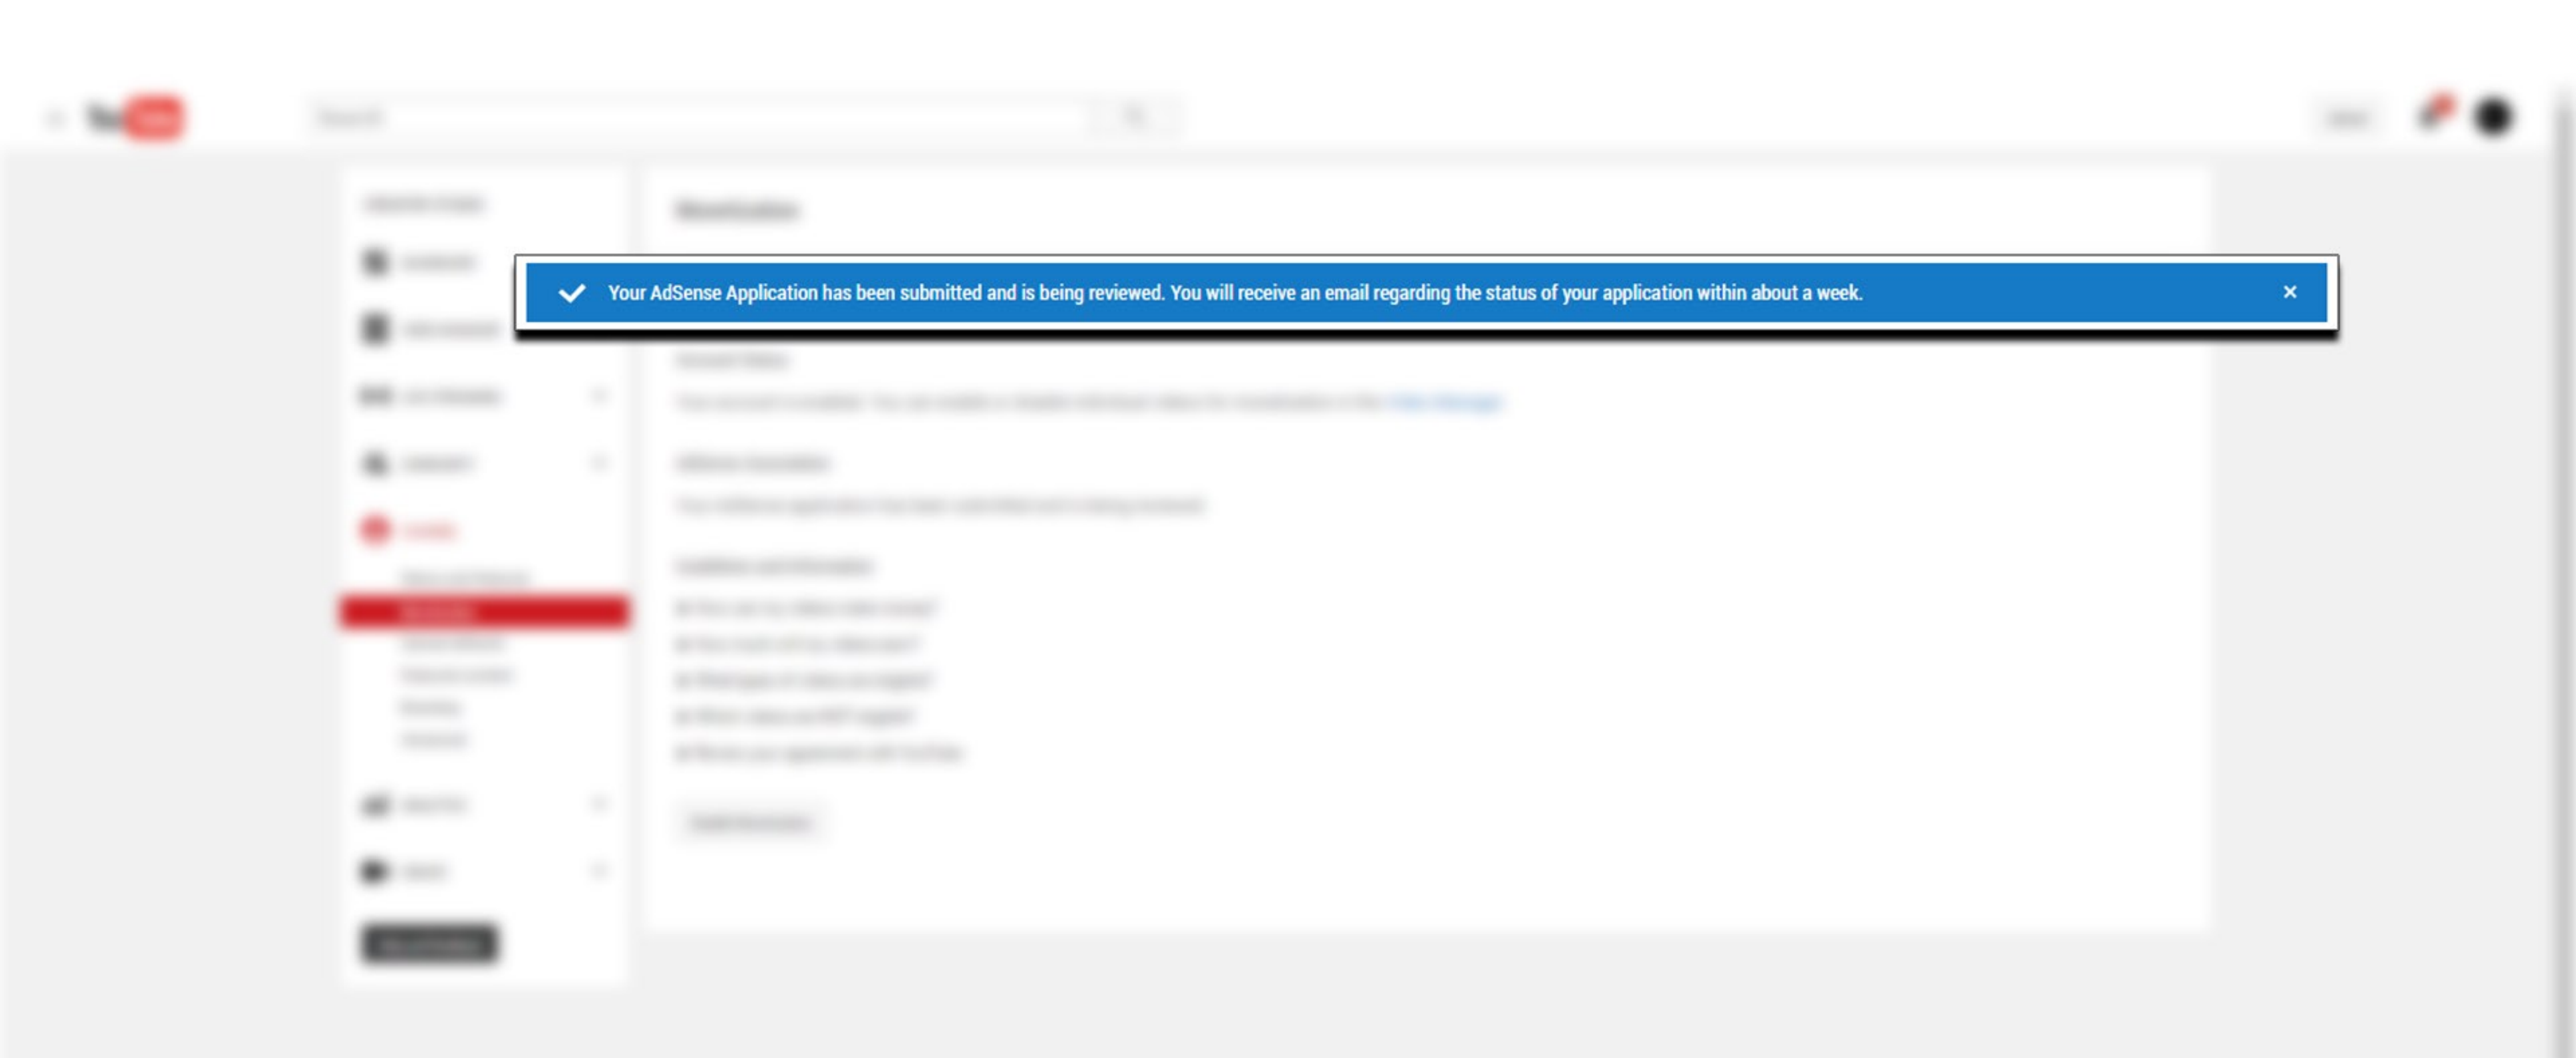

AdSense Association

Your AdSense application has been submitted and is being reviewed.

Guidelines and Information

- ▶ How can my videos make money?
- ▶ How much will my videos earn?
- ▶ What types of videos are eligible?
- ▶ Which videos are NOT eligible?
- ▶ Review your agreement with YouTube

If the previous steps were followed correctly, you will be redirected to the Monetization page.

A screenshot of a web browser window. A blue notification bar is overlaid on the page, containing a white checkmark icon on the left and a close 'x' icon on the right. The text in the bar reads: "Your AdSense Application has been submitted and is being reviewed. You will receive an email regarding the status of your application within about a week." The background of the browser is blurred, showing a sidebar menu on the left and a main content area on the right.

✓ Your AdSense Application has been submitted and is being reviewed. You will receive an email regarding the status of your application within about a week. ✕

Your AdSense application will be reviewed. It will take up to a week to get approved, but can be approved sooner than that.

Your Google AdSense account has been fully activated

Related Google+ Page

Congratulations!

Your account is now fully approved.

Welcome to AdSense! We look forward to a long and successful partnership together.

If you've already placed ad units on your site, you'll begin to see live,

Once approved, You will receive an email titled "Your Google AdSense account has been fully activated." (shown above)

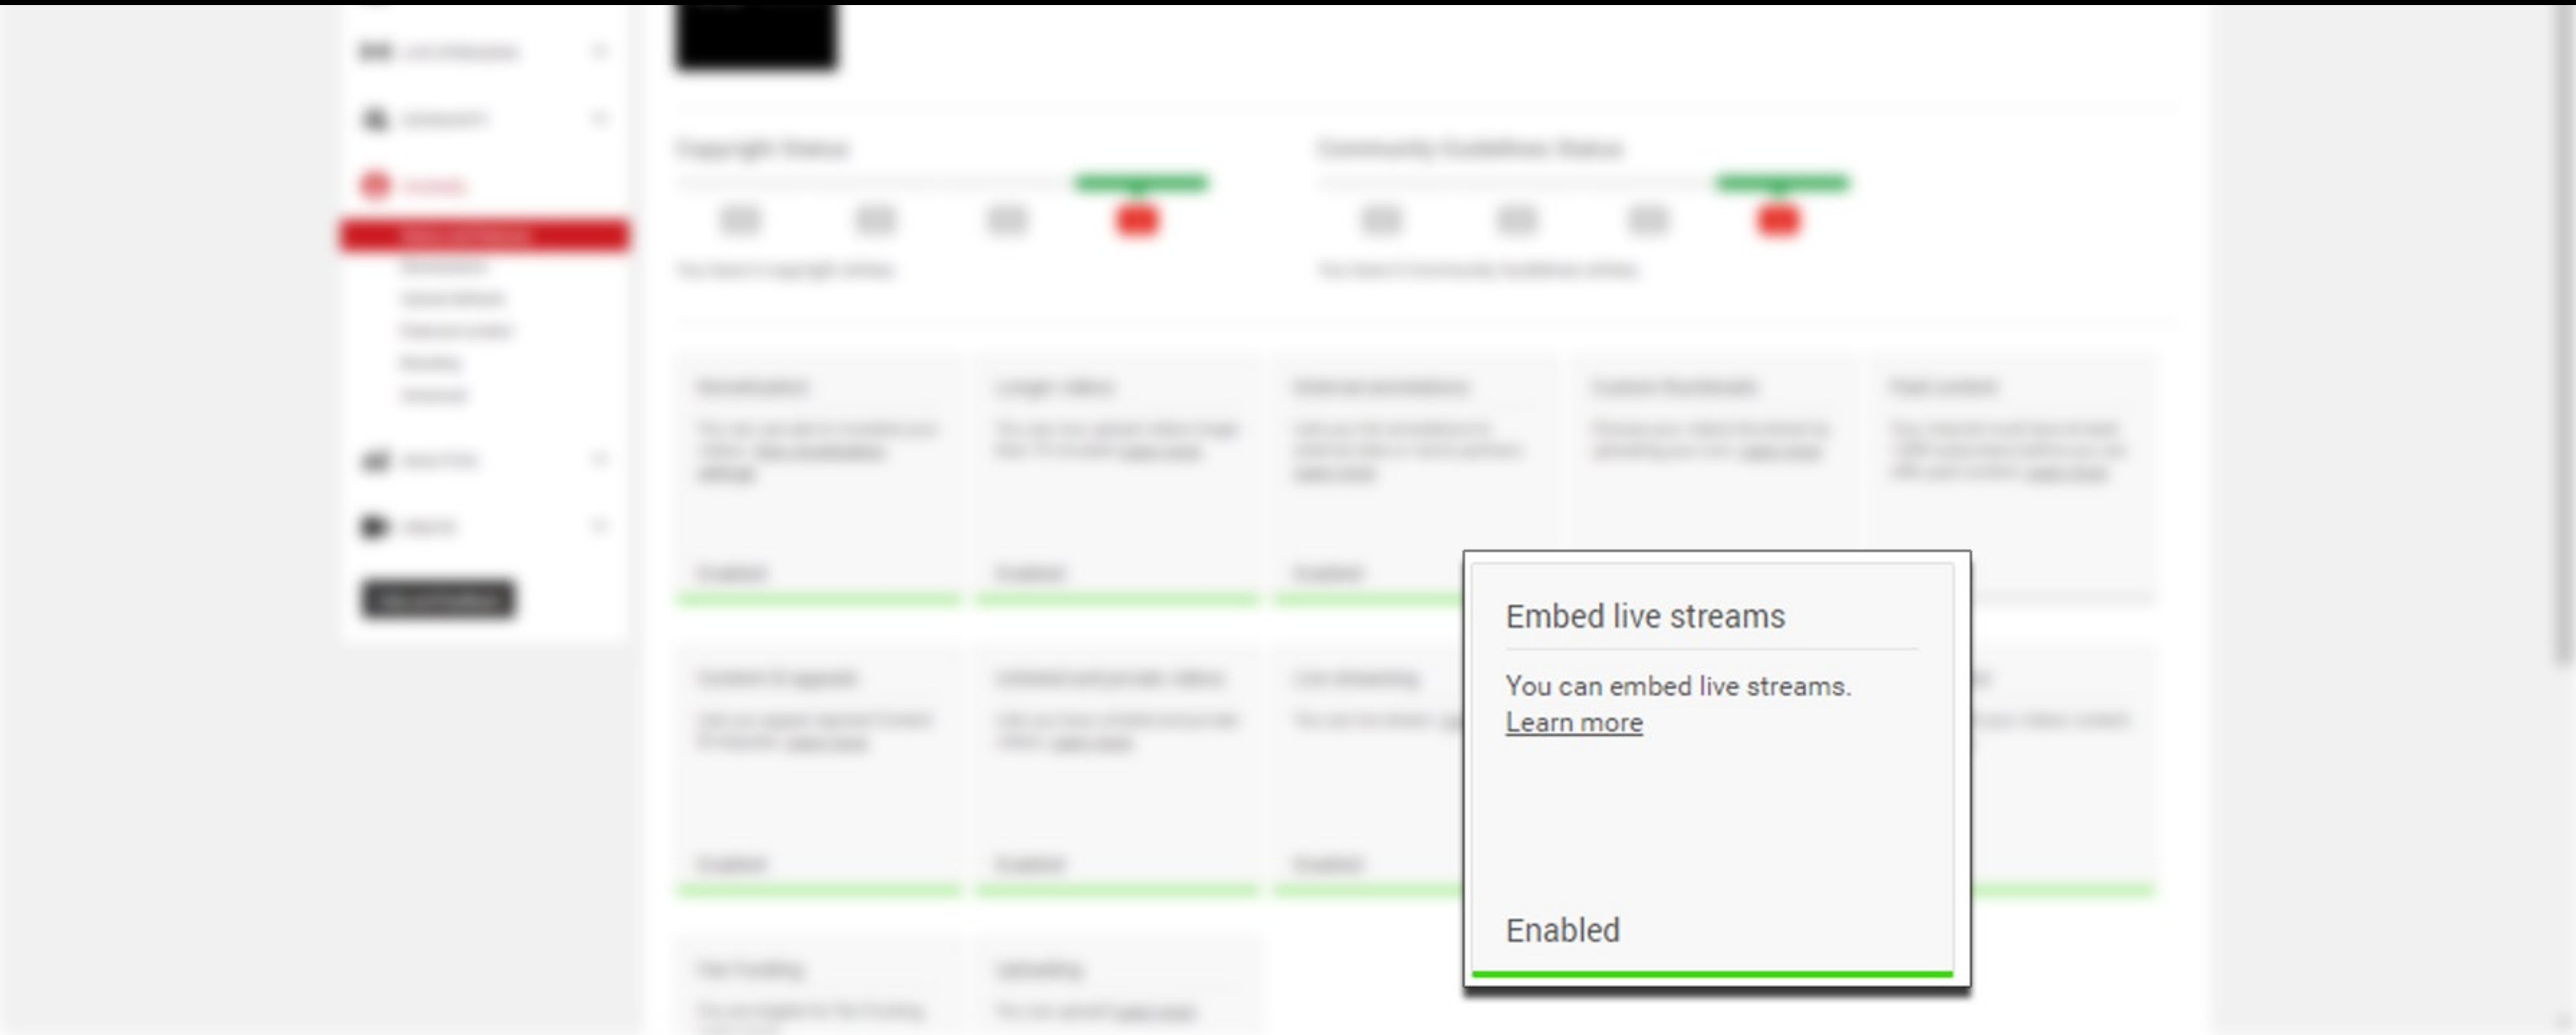

Return to your YouTube account “Status and Features” page by following the steps from earlier.

The screenshot displays the YouTube 'Status and Features' page. On the left is a navigation sidebar with categories: LIVE STREAMING, COMMUNITY, CHANNEL, ANALYTICS, and CREATE. The 'CHANNEL' section is expanded to show 'Status and features' (highlighted in red), Monetization, Upload defaults, Featured content, Branding, and Advanced. Below this is a 'Help and feedback' button.

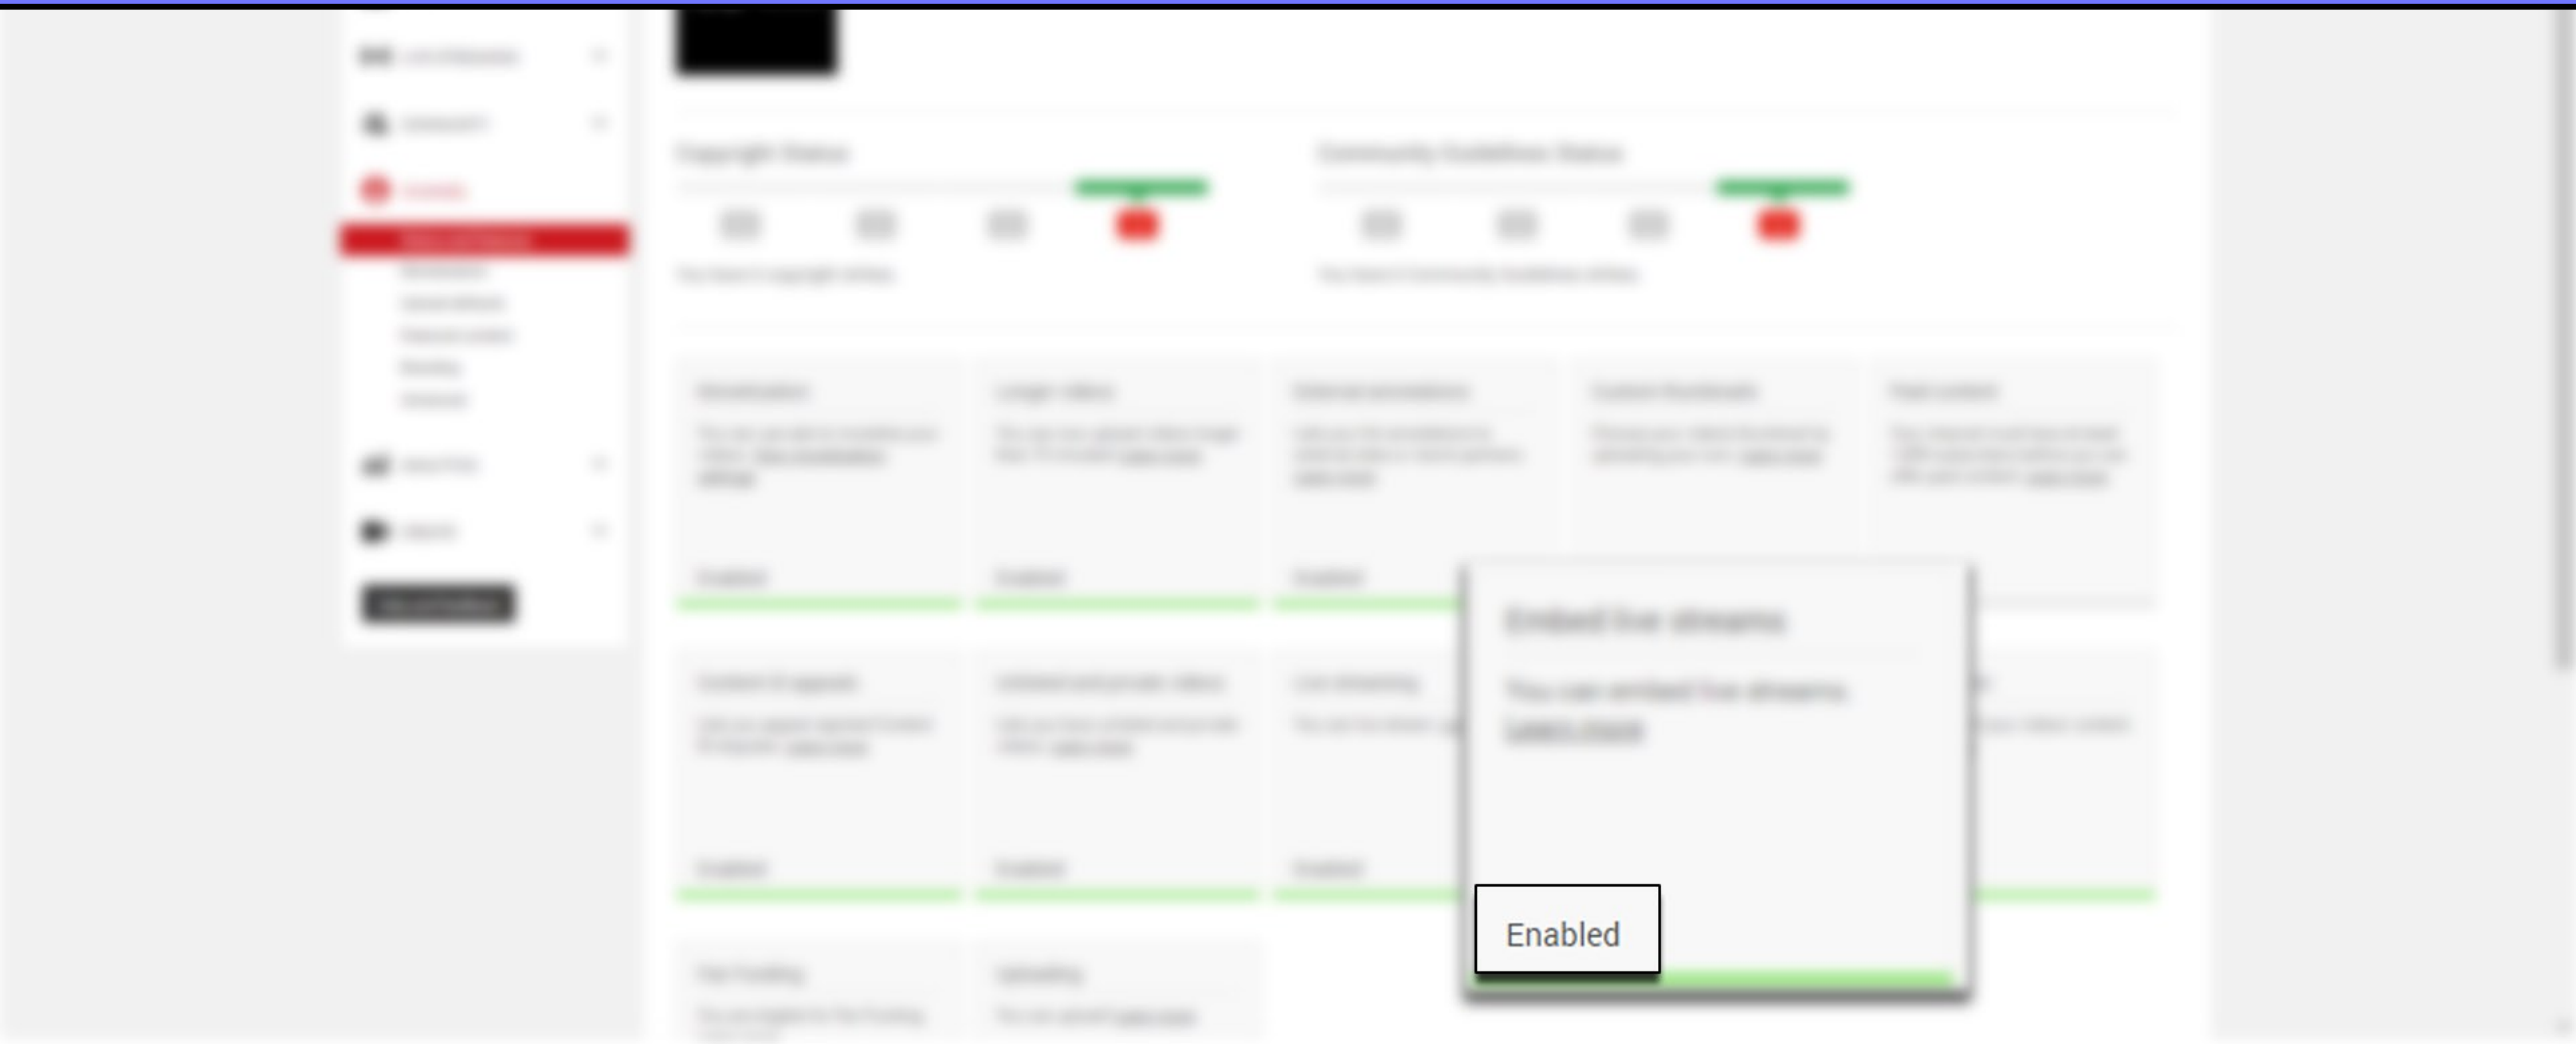

The main content area shows the channel's status for Copyright and Community Guidelines, both at 0 strikes. Below this is a grid of feature cards:

Feature	Description	Status
Monetization	You can use ads to monetize your videos. View monetization settings	Enabled
Longer videos	You can now upload videos longer than 15 minutes! Learn more	Enabled
External annotations	Lets you link annotations to external sites or merch partners. Learn more	Enabled
Custom thumbnails	Choose your video's thumbnail by uploading your own. Learn more	Enabled
Paid content	Your channel must have at least 1,000 subscribers before you can offer paid content. Learn more	Ineligible
Content ID appeals	Lets you appeal rejected Content ID disputes. Learn more	Enabled
Unlisted and private videos	Lets you have unlisted and private videos. Learn more	Enabled
Live streaming	You can live stream. Learn more	Enabled
Embed live streams	You can embed live streams. Learn more	Enabled
Video editor	Lets you edit your videos' content. Learn more	Enabled
Fan Funding	You are eligible for Fan Funding. Learn more	Enabled
Uploading	You can upload! Learn more	Enabled

Locate the Embed live streams box in the grid.

If everything went correctly, you will see a box that says "Enabled."

Actions View: Live now

<input type="checkbox"/>		Test Live Stream for Embedding Tutorial	\$	
		LIVE NOW		
		Edit Live Control Room		

By default, the embed livestream feature should be enabled. However, we will verify that it is working correctly.

The next time you are live, go to your Live Events page and press the “Edit” button for your current live event.

Select “Advanced Settings” in the menu bar displayed above.

Once this page has been loaded, locate the Distribution options box near the bottom of the page.

The screenshot shows the YouTube Live Streaming settings page, specifically the 'Advanced settings' tab. The left sidebar contains navigation options: LIVE STREAMING (with 'Stream now BETA' and 'Events' highlighted), COMMUNITY, CHANNEL, ANALYTICS, and CREATE, along with a 'Help and feedback' button. The main content area is divided into three sections: Chat, License and rights ownership, and Syndication. The 'Distribution options' section is highlighted in red and contains the checkbox 'Allow embedding', which is checked. Other sections include Promotions (with 'Promote on my channel page' checked and set to 'When the event is live') and Age restrictions (with 'Enable age restriction' unchecked). The right sidebar contains settings for Category (Entertainment), Video location (with a search box), Video language (Select language), Community contributions (unchecked), Recording date (Today), Video statistics (checked), Content declaration (unchecked), Recording (with 'Allow comments' checked and 'Show' set to 'All', 'Sort by' set to 'Top comments'), and Users can view ratings for this video (checked). The 'DVR' section is partially visible at the bottom.
